Re: Friday Memo for May 14th, 2021

\*\*\*\*\*\*

Good Afternoon, Mustang Families:

Happy Friday everyone, and kudos for students, families and teachers for completing the first of returning to online learning. From my perspective, it was as smooth of a transition as possible. I know that parental inquiries or requests for help have been minimal but we have had requests for teachers to record live Google Meets. With the complexities of privacy laws and consent we are strongly discouraging this practice at this time; however, teachers may have pre-recorded lessons available in their Google Classrooms, which have no student privacy concerns and the broadcast can be monitored. I believe the pace and rhythm of online learning has been established and that students are engaged in their online learning. I would like to take this opportunity to thank both Muir Lake parents and Muir Lake teachers for their sustained efforts in making the best of a not-so-ideal circumstance.

On a different note, I would like to remind families that next week (May 17 - 20th) is a short week and there is no school on Friday as it is a PD Day for the School Division. Also, there will not be a memo next week so Mrs. Brownlee and I would like to take this opportunity to wish you a great Victoria Day long weekend! We hope whatever you do involves the outdoors and hopefully enjoying some good weather and maybe even a little yard work!

In other school related news, we are starting to build class lists for next year and it is our hope to send home to you, the end of June, where your child's placement will be for the upcoming school year. I find it is always a relief when families (and students) know where they will be placed next year. It alleviates the wondering and uncertainty over the summer. Stayed tuned for further information.

# 1. Spring Concerts: \*\*\*New Information\*\*\*

I would like to extend a huge thank you to Mrs. Gottenbos for organizing and creating our virtual spring concerts! Mrs. Gottenbos has diligently worked with students on their performances and they were videoed and are available on Mrs. Gottenbos' You-tube channel. Please see the following links for accessing each of the concerts: <a href="Grade 1-3 Link">Grade 4-6 Link</a> I suggest some family time this weekend and sit around your laptop and watch the concerts with your children. I know they were excited about the ability to perform. I like to congratulate all of our performers on their excellent performance.

#### 2. School Council: \*\*\*Repeated Information\*\*\*

Our next School Council meeting will be held on Tuesday, May 18th , 2021 at 7:00 p.m. If you plan on attending the meeting please RSVP your attendance by filling out THIS form.

At our next meeting, our School Council President, Mrs. Misty Flynn will be discussing her attendance and representation of Muir Lake School and Parkland School Division at the AGM (Annual General Meeting) for Alberta Schools Councils' Association (ASCA).

ASCA is a provincial advocacy group that lobbies the government on matters such as funding, transportation, etc. and is comprised of members of all school councils across the province. Mrs. Flynn volunteered her time to attend and help address issues that all parents in Parkland School Division parents are facing such as Inclusive Education, transportation and provincial funding shortfalls.

Mrs. Flynn will summarize the ASCA AGM and specifically talk about some of the resolutions that were passed or tabled at the weekend meeting. Please join at this Council meeting to learn more about this exciting process and what the outcomes were. For more information, please contact Misty at MuirLakeSCChair@psd70.ab.ca

I personally would like to take this opportunity to thank Mrs. Flynn very much for her time and efforts in attending ASCA AGM. It was a long weekend of debates, resolutions and of course, representing the Parkland School Division. Her commitment to our school, community and school division are appreciated by all. Thank you, Mrs. Flynn.

## 3. School Foundation: \*\*\*Updated Information\*\*\*

Our next meeting, which is also our AGM, will be held Tuesday, May 18th, 2021 at 6:00 p.m. Please join us for this virtual meeting.
