Accountability Pillar Summary Results Report

October 12, 2017 | For 2016 - 2017

Background

The Accountability Pillar surveys are administered annually during the months of January to March to:

- Students in Grades 4, 7 and 10;
- Students in Grades 4 through 9 (small schools);
- Parents of students in Grades 4, 7 and 10;
- Teachers.

Students and teachers complete the surveys online at school, while parents receive a copy of the survey by mail and are asked to return the completed survey directly to Alberta Education. Student responses are grouped within the *Tell Them From Me* survey process. Responses are collected and tabulated into the summary chart released in May and are updated in October to supplement updated academic achievement results through the Provincial Achievement Tests (Grade 6 and 9) and the Diploma Examination results (Divisional and First Nations, Métis and Inuit specific).

The Accountability Pillar Summary includes several reports:

- The School's overall summary
- The School's First Nations, Métis and Inuit (FNMI) Summary (if applicable)
- New results for all survey measures
- Results for derived measures (Drop Out Rate, High School Completion Rate, Post-Secondary Transition Rate, Diploma Examination Participation Rate, Rutherford Eligibility Rate)

Accountability Pillar Survey Responses

- Responses to the surveys were received from approximately 11 parents, down from 22 last year. Unfortunately, low survey responses may not accurately represent our parent population.
- In Parkland School Division, approximately 298 parents responded to the survey (the five-year average for parent responses is approximately 401).
- In Muir Lake School, approximately 88 students responded to the survey.
- In Parkland School Division, 3,932 students responded (1,530 in Grades 4-6; 1,129 in Grades 7-9; 1,273 in Grades 10-12).
- 19 teachers responded.

These are approximate numbers, as not every student answered every question.

Highlights and Celebrations

- Increase in the percentage of teachers, parents and students satisfied with the opportunity for students to receive a broad program of studies including fine arts, career, technology and health and physical education
- Increase in the percentage of teachers, parents and students satisfied with the overall quality of basic education
- Increase in percentage of teachers, parents and students satisfied with the accessibility, effectiveness and efficiency of programs and services for students in their community
- Increase in percentage of teachers, parents and students agreeing that programs for children at risk are easy to access and timely
- Increase in percentage of parents, teachers and students who agree that students are taught attitudes and behaviors that will make them successful at work when they finish school

Areas Requiring Strategic Planning

Parkland School Division's Ultimate Goal is Student Success and Well-Being. The Board's Education Plan targets four strategic goals that contribute to the Ultimate Goal:

1. Inclusive Education
2. Quality Learning
3. Culture of Wellness
4. Universal Leadership

Our school's plan for education aligns to the Board's Education Plan.

- Increasing parental involvement in decisions about their child's education
- Emphasizing the importance of caring for others, learning respect for others and being treated fairly at school and ensuring these practices are followed
- Increasing teachers' satisfaction with professional development and in-servicing received from the school authority to ensure that this learning is focused, systematic and contributing significantly to their ongoing professional growth

Academically Derived measures are also provided on our school webpage. These 2016-2017 measures include:

- Provincial Achievement Tests (Acceptable and Excellence)
- Diploma Examinations (Acceptable and Excellence)
- Participation Rate
