V. REPORTS

- a) **Trustee Report** – The group welcomed Lorraine Stewart to the meeting and she gave her trustee report.
- b) **Principal Report** – Andy reported that after a couple of years without any sporting events volleyball has successfully started. Andy mentioned he was very proud of the Muir Lake students during game. There are currently 4 teams that are involved in games. Andy also mentioned that there is a Learning Loss Grant coming that will provide more supports to students. We are also hiring a certified counsellor for Muir Lake students. We are very excited for this position and have conducted a few interviews to date. Hoping to have position filled by the Christmas break. Lorraine Stewart asked how the counsellor position is different from the Community Connector position. Andy advised that this is a certified psychologist position as the CC position helps connect children with the proper resources and professionals.

VI. NEW BUSINESS

ML Hall Report – Melissa Vasilcin did not have anything new to report from the hall. She wanted to encourage everyone to come volunteer if possible as they are always looking for individuals for upcoming events. They will be hosting a drive thru Santa visit and the tickets are on sale now.
