

Mustangs Memo

April 29, 2022

NEW! Guest Bus Riders: There are to be absolutely NO GUEST RIDERS on any of the school buses. This is a huge safety concern should that bus ever be involved in an accident. If your child is having a friend visit after school then a parent will have to pick them up at the end of the day. NO EXCEPTIONS.

NEW! From our School Council Chair: Should you wish to contact our School Council Chair, Amber Dory, please use our NEW School Council Chair email that has been set up; it is MuirLake.SCChair@partner.psd.ca. School Council meetings are virtual and are set for the third teaching Tuesday of the month. The next meeting is set for Tuesday May 17, 2022, 7pm. [Please visit the LINK here to request a Google Meet link](#). The meeting link will be shared with those interested in attending the day of the meeting.

NEW! Welcome Back School Volunteers: We are pleased to be welcoming our volunteers back into our school. YAY! Just a few quick reminders,

- If you are coming into the school, you MUST sign in at the office. This is a safety measure, should the unthinkable happen, so that we know who is in our building at all times
- Please ensure that you have filled out and returned the [Volunteer Form Package](#) which is [LINKED HERE](#) and also available from the office

NEW! Nature Kindergarten: Parkland School Division's Nature Kindergarten program is based out of Muir Lake School, where children from all over Parkland School Division are offered a unique curriculum-based authentic learning experience primarily within a dedicated woodland classroom and the surrounding outdoor area. This optional kindergarten program-of-choice gets children active and in touch with nature, while essentially extending a child's kindergarten experience from half-time to full-time in the process.

In keeping with our Ultimate Goal of Student Success and Well-being, PSD's Nature Kindergarten program provides meaningful student engagement while addressing the kindergarten curriculum, as children spend the majority of their day outside connecting with local habitats as inspiration for their academic learning. Nature Kindergarten nurtures independent, confident and resilient learners with a zeal for problem solving, fostering

children's physical literacy and lifelong health and well-being through outdoor adventures that contribute to the social and emotional assets of individual health.

Please note: Your child must first be registered for a recognized Alberta Kindergarten program (such as Parkland School Division's regular Kindergarten program) before they can be registered in the Nature-Based Kindergarten program. Complete information on the registration process can be found on our Registration page. While priority shall be given to Parkland School Division students, out-of-division applicants may be considered if space and resources are available.

To apply to the [2022-2023 Nature Kindergarten Program](#), please complete and submit all material in the [2022-2023 Nature Kindergarten Application Package](#). The [application form](#) in this package will begin accepting submissions when Parkland School Division 2022-2023 Registration opened on February 14, 2022.

Repeat! 2022-2023 School Registration PAST DUE: Parkland School Division's annual online registration/verification process opened on Monday February 14th and we requested that this process be completed **BEFORE March 18th** in order to insure that your child(ren) has transportation in place for the 2022-2023 school year. It is now well passed that date and we can no longer guarantee that transportation will be set up for your child for the beginning of the new school year. If you are not sure if this has been done, then please contact the school office at 780-963-3535.
