NEW! Write-On Stationery School Supplies Fundraiser: We are running our fundraiser again this year which makes it super easy for you to place your order for school supplies for next year. Please go to <https://www.write-on.ca/shop/> to place your order. Supply lists can be found at [THIS LINK](#). Supplies ordered through Write-On will be ready for pick up at the school in the last week of August.

FOR ONLINE ORDERS:

- Go to www.write-on.ca
- Click on "PARENTS – Order Here"
- School Name: Muir Lake School – STONY PLAIN
- Choose your grade and place your order.
- Complete your order by clicking 'PLACE ORDER'
- You will receive an automatic email confirmation to confirm your order has been received
- We accept VISA, MC, AMEX, Visa Debit and Interac On-line.

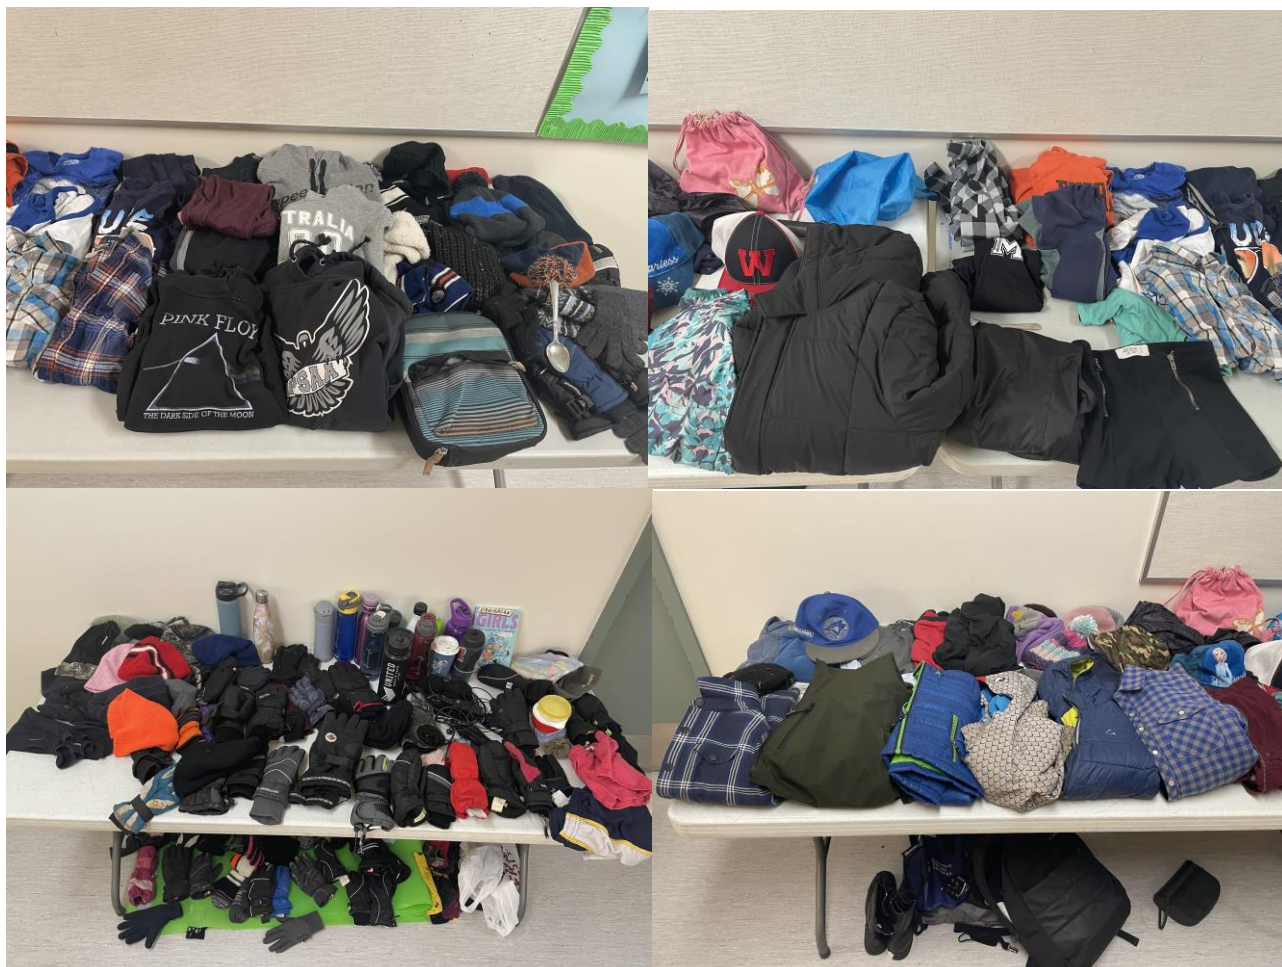

Repeat! Dress Code: With the warmer weather approaching, students are reminded that they must still adhere to the dress code; which states no undergarments are to be showing as well as no midriffs.

Repeat! Visitors to the School: Now that COVID Restrictions have been lifted, we are welcoming volunteers and visitors back into the building - we just remind all parents that you must stop into the office when you arrive. We respectfully ask that you do not go down to the classroom unannounced.

If you are here to pick up your child, then give us a call when you get here and we will call down to the classroom and have them sent out to you.

Repeat! School Fees: New field trip fees have been pushed out to some of the classes, please take a look on your [PowerSchool Parent Portal](#) account to see what is outstanding for the 2021 2022 school year and remit payment ASAP. Payment can be done online by Visa debit or credit card via your PowerSchool Parent Portal at <https://powerschool.psd70.ab.ca/public> or by cash or cheque payable to Parkland School Division (PSD).

Repeat! Lost & Found: Our Lost & Found shelves are OVERFLOWING once again! If your child is missing any items, especially jackets or water bottles, please remind them to take a peek. Any and ALL items left behind at the end of June will be sent to Goodwill.

Repeat! Track & Field: We would like to take this opportunity to CONGRATULATE all of our athletes that participated in the Grade 7 to 9 Zone 5 Track Meet yesterday and also to our grade 4 to 6 participants that represented us at the Elementary track meet on Wednesday. Well done everyone and thank you for representing Muir Lake in the style that you do; we are super proud of all our athletes.

Repeat! Guest Bus Riders: There are to be absolutely NO GUEST RIDERS on any of the school buses. This is a huge safety concern should that bus ever be involved in an accident. If your child is having a friend visit after school then a parent will have to pick them up at the end of the day. NO EXCEPTIONS.

Repeat! Welcome Back School Volunteers: We are pleased to be welcoming our volunteers back into our school. YAY! Just a few quick reminders,

- If you are coming into the school, you MUST sign in at the office. This is a safety measure, should the unthinkable happen, so that we know who is in our building at all times

- Please ensure that you have filled out and returned the [Volunteer Form Package](#) which is [LINKED HERE](#) and also available from the office - this must be completed BEFORE going into a classroom.

Repeat! Nature Kindergarten: Parkland School Division's Nature Kindergarten program is based out of Muir Lake School, where children from all over Parkland School Division are offered a unique curriculum-based authentic learning experience primarily within a dedicated woodland classroom and the surrounding outdoor area. This optional kindergarten program-of-choice gets children active and in touch with nature, while essentially extending a child's kindergarten experience from half-time to full-time in the process.

In keeping with our Ultimate Goal of Student Success and Well-being, PSD's Nature Kindergarten program provides meaningful student engagement while addressing the kindergarten curriculum, as children spend the majority of their day outside connecting with local habitats as inspiration for their academic learning. Nature Kindergarten nurtures independent, confident and resilient learners with a zeal for problem solving, fostering children's physical literacy and lifelong health and well-being through outdoor adventures that contribute to the social and emotional assets of individual health.

Please note: Your child must first be registered for a recognized Alberta Kindergarten program (such as Parkland School Division's regular Kindergarten program) before they can be registered in the Nature-Based Kindergarten program. Complete information on the registration process can be found on our Registration page. While priority shall be given to Parkland School Division students, out-of-division applicants may be considered if space and resources are available.

To apply to the [2022-2023 Nature Kindergarten Program](#), please complete and submit all material in the [2022-2023 Nature Kindergarten Application Package](#). The [application form](#) in this package will begin accepting submissions when Parkland School Division 2022-2023 Registration opened on February 14, 2022.

Repeat! PSD Domain and Email Addresses: You may have noticed that Parkland School Division has a new look; a new logo as well as a new domain name. You can now find Parkland School Division at <https://www.psd.ca> and Muir Lake School's new website URL is <https://muirlake.psd.ca>. With the domain name change came new email addresses. An easy way to find your child's teacher's email address is on our school website at <https://muirlake.psd.ca/about/staff-directory>, but our new address format is as follows: ***firstname.lastname@psd.ca***. Please adjust your email address books accordingly as eventually the mail-forward feature will end.
