Andy reminded everyone that registration is still open but deadline has passed. We are predicting an increase of at least 40 more students next year. Please pass the word along to anyone who has not registered yet to contact the school for assistance. May 19th will be a regular day of attendance for the students this year. We have a tentative date of May 26 planned for Fun Day for all the students. The junior high leadership group is going to be in charge of this event. As well, there will be an informal farewell lunch planned for May 28 for our grade nine students.

School Council Report, Muir Lake School, May 17, 2022
Submitted by Lorraine Stewart, Trustee

- **Trustees engage, listen and advocate:**

The Attendance Area Review process is continuing. Some decisions on recommendations are expected to be made in May 2022 and the others in June 2022.

Trustees engaged with grade 7 students from the four west end schools of Tomahawk, Duffield, Wabamun and Entwistle; Stony Plain Central School; and Woodhaven Middle School. We always value and appreciate students' perspectives on a variety of topics.

- **Trustees foster community relationships:**

Trustees met with Senior Administration and Trustees from Evergreen Catholic Separate School Division on May 11, 2022. We appreciate the opportunity to network and further enhance our relationships with Evergreen.
