Mustangs Memo

April 21, 2023

Library Books: Just a quick reminder to parents to pay a little extra attention when returning books to the Stony Plain Library that they are not Muir Lake School books. We have been notified that some of our books are being dropped off at the public library. Thank you.

Chicks and Chickens: We have some chicks and chickens visiting our school library. Students will have the opportunity to watch the hatching process via a livecam and also get to hold the chicks. If your child has allergies and you do not want them handling them, then please be sure to communicate this with your child's homeroom teacher.

Volunteer Appreciation Week: A *HUGE* thank you to ALL of our volunteers - we can't do it all without you!!

School Bus Driver Appreciation Day is Monday, May 1: Thank you all of our bus drivers that put our children FIRST! We appreciate you!

Thanks for going the extra mile!

SCHOOL BUS DRIVER APPRECIATION DAY
MAY 1, 2023

2023 2024 School Year Registration: Parkland School Division's annual online registration/verification process opened on Monday February 13th. We respectfully request that if you have not already done so, that ALL parents have this process completed BEFORE March 24th in order to insure that your child(ren) has transportation in place for the 2023 2024 school year.

All Pre-Kindergarten to Grade 12 registrations for both new and returning students will be conducted online for the 2023-2024 school year.

For existing PSD students, parents can find the RSVP link (Registration) in their [PowerSchool Parent Portal](#). For more information, please visit our Division website at <https://www.psd.ca/schools/registration>.

Any New-to-PSD students (eg. kindergarten) are directed to complete the "NEW STUDENT REGISTRATION" which can be found on the PSD website at <https://www.psd.ca/schools/registration>. Kindergarten students will need to be 5 years of age by December 31, 2023 (born in 2018).

Families that physically live in the Muir Lake School boundaries with students that are entering grade 10 are reminded that they're directed to attend Memorial Composite High School in Stony Plain. If you have a child that is currently in grade 9 and he/she will **not** be attending MCHS in the fall, then we ask that you please contact us ASAP with where they will be attending for grade 10 so that we can process their transition to high school accordingly. Students that are looking at attending a school other than their designated school need to ensure that they have permission from the desired school to register there.

At this time of the year we are already planning for next year's staffing and class configurations. If your family is planning to not attend Muir Lake School in the 2023 2024 school year, then we respectfully request that you advise us as soon as possible as this will affect our planning process.

If you have already finalized and submitted your child's registration for next year, then we say a big thank you. Should you have any questions, please do not hesitate to contact the school at 780-963-3535 or by email at MuirLake@psd.ca

Student Placement: Student placement is a very complex process that we take very seriously.

Teacher/Specialists: our school staff and specialists (such as teachers, counselor, administration, etc) review student placements several times up until the opening day of the 2022-2023 school year.

In addition to individual circumstances, criteria considered in the placement process include:

Workable instructional groups considering:

- the child's academic needs and strengths
- teaching and learning styles
- the child's work habits

Positive social groups considering:

- placements where a child can work positively and productively with other children in the class
- peer support or conflicts
- establishing the presence of positive leaders in each class
- ratio of grades in split classes

Balanced classes considering:

- gender (male/female)
- students with Special Needs
- students who are English Language Learners
- academic, social, and emotional needs and abilities
- leadership abilities

Other Information considered:

- the past history of students in combined or single grade classes
- school-based resource team recommendations

The class placement process ensures thoughtful consideration of each child's social, emotional, and academic needs is aligned with the need to create balanced and effective learning environments. The assignment of students to classes is decided by a team, which includes the child's current teacher, possible teachers for the coming year, the School Counselor, and the School Administration. This professional team considers each placement carefully as they create classes that include a wide range of students who learn in a variety of ways.

A Note about Combined Classes

Combined class organizations result from imbalances in the number of students in particular grade levels. In today's reality that often means that the school organization needs to include some combined classes. For example, we might have 41 Grade One students, but the class size limit is 25; we would need to create a Grade One class and a Grade One/Two class with the remainder of the Grade One students and some Grade Two students. Depending on the number of students at each grade level, using all of the criteria above may well result in the creation of some combined classes. Many areas of the student's growth are considered in a student's placement such as: social skill development, physical size, independence in work habits, leadership potential, personal initiative, and organizational skills. Consideration is also given to previous placement in a combined class. Please rest assured that if your child is placed in a combined class, the grade appropriate curriculum that is prescribed by the Ministry of Education will be taught.

Order Your School Yearbook Now: Great news! After not producing a yearbook for a few years due to "covid gathering restrictions", we are happy to announce that we will be producing one this year. Yearbooks will be produced over the summer and be distributed in the Fall when they arrive. The cost of the yearbook will be \$25 each and will be available to all K to 9 students. To order one simply go on to the "**Student Fees**" button/link on the left side of your [PowerSchool Parent Portal](#) account, scroll to the bottom of the fees page, add a yearbook to your cart, pay for it online, and you are set.

2023 - 2024 PSD Calendar Approved: The Parkland School Division has approved the new 2023 2024 School Calendar. It can be found on the PSD website at <https://www.psd.ca/division/calendar#grid> and viewed and downloaded by clicking on [THIS LINK](#).

PSD Stronger Together - Family Supports: Parkland School Division is proud to partner with the Alberta Parenting For The Future Association to present the upcoming FREE sessions for local families. Click [HERE](#) for more information on the sessions being offered as well as other resources that are available.

Comprehensive School Health: When children have a strong awareness of how they move, and how they feel in their bodies, that's when they are starting to embody physical literacy. They're feeling the mind-body connection. Learn more about mind-body connection here: [Link here](#).

Food for Thought: We all know that children learn better on a full tummy. We have a fridge in our office - "The Nutrition Nook" - that is stocked with healthy snacks and food for the students. Kids can access it at any time during the day and out of consideration to everyone's privacy, staff will not be monitoring who uses it.

Lunch Program: If your child will not be at school and you have ordered a hot lunch, please email info@bitetoeat.ca to cancel their lunch. Please be sure to include your child's name and which school they attend. To receive a credit for the meal, **you must notify us by 12:00 noon the day before delivery**. We will accept late hot lunch cancellations, but no credit will be given. Please note that we cannot give away lunches to other students if you do not notify us that your child will be absent. If you have any questions with regard to any part of the lunch program, please contact the lunch program volunteers at muirlakelunches@gmail.com. **The next lunch order deadline is April 25th**, so please be sure to get your order in and paid ONLINE before this date.

School Council: All parents and guardians are invited to attend our next **VIRTUAL** School Council meeting on Tuesday, May 16 at 7 pm. Please click the [LINK HERE](#) to add your name to receive the School Council Google Meet Link. Meetings will be held on the third teaching Tuesday of the month except for December and June. We hope to see you there.

Dropping off or Picking Up your child at School? If you are driving your child to school, then we respectfully ask that you drop them off in either the **Muir Lake Hall** parking lot **or** use the drop off lane and let them out at the **SOUTH** end or **NORTH** end of the parking lot so that they can use the designated crosswalks which is monitored by the staff. Please assist us in keeping your children safe **by not** dropping them off in the **middle of the drop off lane**.

We also ask that for the safety of all staff and students, that you not drive through the staff parking lot, please use the drive-through lane and the crosswalk at the south end of the parking lot.

For the safety of everyone, we remind everyone that there is to be absolutely **NO PARKING on the side of the highway**. The parking can sometimes get VERY busy, so we appreciate your patience as our top priority is to keep all of our students and staff safe. We have asked the Bylaw officers for assistance with this and we would hate to see anyone be ticketed for parking on the highway or worse yet, for someone to be injured. We thank you for your cooperation with this very extremely important safety matter.

Busing: If you are picking up your child from school and they will NOT be taking their regular bus home, please notify the driver, teacher, or school office so that the driver is not looking for them at the end of the day and delaying the departures of the buses.

Guest Bus Riders: There are to be absolutely **NO GUEST RIDERS** on any of the school buses. This is a huge safety concern should that bus ever be involved in an accident. If your child is having a friend visit after school then a parent will have to pick them up at the end of the day. **NO EXCEPTIONS.**

Attendance Calls: If your child(ren) is not in attendance, please be sure to either call (780) 963-3535 and press 1 to access the attendance mailbox OR email the office at MuirLake@psd.ca, stating when and why your child will be away. If the office does not know why students are away then the fan-out message will automatically go out as they will be marked as absent with an unknown reason.

If Your Child is Ill: We encourage anyone who is feeling ill to stay home from school. If you are exhibiting any of the key symptoms known for COVID-19, we encourage you to access one of the many test kits that are also available at the school. Meanwhile, PSD will continue the following:

- Hand sanitizer will still be readily available at all schools,
- Students will continue to be reminded of the importance of thorough hand-washing hygiene,
- School staff will ensure that appropriate cleaning of high touch areas will continue,
- The frequency at which air filters are changed in PSD has also been increased and air handling/ventilation equipment in all schools has been adjusted to maximize the number of air exchanges within the schools.
- All schools will operate filtration systems that meet or exceed the Minimum Efficiency Reporting Values (MERV) 13 air filtration rate, and
- Where practical, entrances and exits can be used to efficiently reduce crowding during high traffic times of the day.

Should you require test kits or masks, please contact the school office by email at MuirLake@psd.ca or by phone at 780-963-3535.

Fair Notice - Violent Threat Risk Assessment: The goal of Violence/Threat Risk Assessment (VTRA) process is that every incident of youth violence in our communities be addressed. VTRA is early intervention – which is quite possibly prevention. The process is initiated and managed by school administrators who have received VTRA training from the Center for Trauma Informed Practices. For more information, please visit our [PSD website](#) and read the news article [LINKED HERE](#).
