Absence?

Call 780-963-3535

Press #1

Please provide your child's full name, grade and the reason for the absence so that we can enter the absence accurately!

Class starts at 8:00 AM

Remembrance Day; Muir Lake School will be holding our annual Remembrance Day Service on **Tuesday, November 5th at 10:15 am** and families are invited to participate. Many of us have had friends or relatives who served their country in wartime. We would like to pay tribute to these people by having your child(ren) pin a poppy on our cross during our Remembrance Day Service. Please fill out the form Linked [**HERE**](#) to have one of your loved ones honored at our Service. We respectfully request that you please have this done by Friday November 1st, so that we may prepare ahead of time.

REMINDER – THERE ARE NEW BELL TIMES THIS YEAR!

The first bell rings at **7:55am**. Kids will then head to their classrooms. When the second bell rings at **8:00am** teachers begin to take attendance. Any students who enter the school after **8:00am** must sign in at the office so that they can be entered into PowerSchool as **late**.

The weather is turning and it is starting to feel more like fall. Please make sure your children are dressed for the weather. The mornings are chilly! Also please label your children's clothing items, this way if they end up in our lost and found we can easily

find their owner!

Halloween

All of our staff and students are invited to dress up for Halloween in the **afternoon** of Thursday, October 31st. Our kindergarten to grade 6 students will enjoy classroom festivities. Grades 7 to 9 students will enjoy a **Halloween Dance** in the afternoon where a concession will be available to them (candy, chips, pop, & chocolate bars...)

Guidelines for Halloween Costumes:

- Costumes must still follow the rules of the dress code implemented in our school.
- No weapons (fake or real) are to be brought to school. This includes, but is not limited to, plastic swords, fake guns, or any type of cane or stick.
- Students are to be respectful of others in the community. Please ensure that we are considerate of other cultures and religions when choosing our costumes.
- No costumes are to be worn until **after** lunch recess. Students will be able to change into their costumes at lunch time for the afternoon activities.

GOOD LUCK!!!

Help Your Child Succeed in School: Build the Habit of Good Attendance Early

DID YOU KNOW?

- Starting in preschool and kindergarten, too many absences can cause children to fall behind in school.
- Missing 10%, or about 2 days each month over the course of a school year, can make it harder to learn to read.
- Students can still fall behind if they miss just one or two days every few weeks.
- Being late to school may lead to poor attendance.
- Absences and tardiness can affect the whole classroom if the teacher has to slow down learning to help children catch up.

Attending school regularly helps children feel better about school—and themselves. Start building this habit in preschool so they learn right away that going to school on time, every day is important. Eventually good attendance will be a skill that will help them succeed in high school and college.

WHAT YOU CAN DO

- Set a regular bedtime and morning routine.
- Lay out clothes and pack backpacks the night before.
- Keep your child healthy and make sure your child has the required shots.
- Introduce your children to their teachers and classmates before school starts.
- Develop backup plans for getting to school if something comes up. Call on a family member, a neighbor, or another parent.
- Try to schedule non-urgent related medical appointments and extended trips when school isn't in session.
- If your child seems anxious about going to school, talk to teachers, school counselors and other parents for advice on how to make your child feel comfortable and excited about learning.
- If you are concerned that your child may have a contagious illness, call your school or health care provider for advice.
- If your child must stay home due to illness, ask the teacher for resources and ideas to continue learning at home.

When Do Absences Become a Problem?

Note: These numbers assume a 180-day school year.

Keep Your Child On Track in Middle and High School: Pay Attention to Attendance

Showing up for school has a huge impact on a student's academic success. Even as children grow older and more independent, families play a key role in making sure students get to school every day and understand why attendance is so important for success in school and on the job.

DID YOU KNOW?

- Students should miss no more than 9 days of school each year to stay engaged, successful and on track to graduation.
- Frequent absences can be a sign that a student is losing interest in school, struggling with school work, dealing with a bully or facing some other difficulty.
- By 8th grade, absenteeism is one of three signs that a student may drop out of high school.
- By 9th grade, attendance is a better predictor of graduation rates than 8th grade test scores.
- Missing 10%, or 2 days a month, over the course of the school year, can affect a student's academic success.

WHAT YOU CAN DO

Make school attendance a priority

- Talk about the importance of showing up to school every day.
- Help your children maintain daily routines, such as finishing homework and getting a good night's sleep.
- Try not to schedule dental and non-urgent related medical appointments during the school day.
- Keep your student healthy. If you are concerned about a contagious illness, call your school or health care provider.
- If your children must stay home because they are sick, make sure they have asked teachers for resources and materials to make up for the missed learning time in the classroom.

Help your teen stay engaged

- Find out if your children feel engaged by their classes, and feel safe from bullies and other threats.
- Make sure your teens are not missing class because of challenges with behavioral issues or school discipline policies. If any of these are problems, contact the school and work with them to find a solution.
- Monitor your teen's academic progress and seek help from teachers or tutors when necessary. Make sure teachers know how to contact you.
- Stay on top of your child's social contacts. Peer pressure can lead to skipping school, while students without many friends can feel isolated.
- Encourage your child to join meaningful after-school activities, including sports and clubs.
- Support your students if you notice signs of anxiety, and if needed, seek advice from your school or health provider.

Communicate with the school

- Know the school's attendance policy – incentives and penalties.
- Check on your child's attendance to be sure absences are not adding up.
- Seek help from school staff, other parents, or community agencies if you need support.

REVISED APRIL 2016

Developing a Growth Mindset

This school year we are focusing on cultivating a Growth Mindset Culture in Muir Lake School. Adopting a growth mindset is not only essential in our life, it's critical. A person operating from a Growth Mindset perspective tends to have a desire to learn, dedicated to work hard, and discover new things. This often translates into academic achievements.

Guardians/parents/family members/ can have a significant impact on cultivating and developing a growth mindset in their children. The language we use, the actions we take, offering process praise, talking about the brain, accepting mistakes as learning opportunities, and understanding the role of emotions in learning are all practices that we can start today! The newsletter that we are going to share every month consists of strategies and resources to cultivate and develop a growth mindset in our children. Please feel free to use these resources to cultivate and maintain a growth mindset in your children. We are in this together!!

Sharmin Shabnam, School Councillor

All kids 12 and under receive free walk-up admission for any 2024-25 regular season home game.
*Must be accompanied by an adult.

General Information

Parking at School Safely: If you are driving your child to school, then we respectfully ask that you drop them off in either the Muir Lake Hall parking lot or use the drop off lane and let them out at the NORTH and SOUTH end of the parking lot so that they can use the crosswalk which is monitored by the staff. For the safety of everyone, we remind everyone that there is to be absolutely NO PARKING on the side of the highway. Please do not use the staff parking lot for drop off, the parking lot can get VERY busy, so we appreciate your patience as our top priority is to keep all of our students and staff safe.

Visiting the School: If you are at the school for any reason, please check in at the office. Morning Supervision: Staff will begin supervision at 7:45am so we respectfully request that you do not drop your children off until after this time. Students will remain outside until the bell rings at 7:55 am, then at this time they will make their way to the classroom through their designated doors. If they arrive ANY time after 8:00 am they are required to go to the office through the front door to obtain a late slip.

Attendance Calls: If your child(ren) is not in attendance, please be sure to either call (780) 963-3535 and press 1 to access the attendance mailbox OR email the office at MuirLake@psd.ca, stating when and why your child will be away. If the office does not know why students are away then the fan-out message will automatically go out as they will be marked as absent with an unknown reason.

School Fees: Statements for the 2024-2025 school year fees will be going out via email soon, if you do not receive it then check your junk mail or let the office know. Upon receipt, fees can be paid online by debit or credit card through our PowerSchool Parent Portal at <https://powerschool.psd.ca/public> or by cash or cheque payable to Parkland School Division (PSD). If for some reason you are unable to pay the fees right away arrangements may be made by calling Andy Fuñe at 780- 963-3535.

Fair Notice – Violent Threat Risk Assessment: The goal of Violence/Threat Risk Assessment (VTRA) process is that every incident of youth violence in our communities be addressed. VTRA is early intervention – which is quite possibly prevention. The process is initiated and managed by school administrators who have received VTRA training from the Center for Trauma Informed Practices. For more information, please visit our PSD website and read the news article LINKED HERE.

Food Programs

Food for Thought: We all know that children learn better on a full tummy. We have a cooler inside our office that will be stocked with healthy snacks and food for the students. They will be able to access it at any time during the day and out of consideration to everyone's privacy, staff will not be monitoring who uses it.

In keeping with Parkland School Division's commitment to student success and well-being, we are once again working to promote healthy eating and create a positive food environment for all students. We would like to acknowledge the **President's Choice Children's Charity Power Full Kids program in providing support for food security at Muir Lake for the 2024 - 2025 school year.**

Breakfast Club – We have started our Breakfast Club for the year and it is busy! Breakfast club is for everyone! We know that mornings can be busy. Every morning starting at 7:45 till 8:00 our kitchen is serving up toast and other healthy options. We are always looking for more volunteers to help the program run smoothly. Reach out if you are available during these times to help out at christine.ellert@psd.ca.
